

14th Annual International Conference on Visual and Performing Arts 10-13 June 2024, Athens, Greece

Call for Papers

The aim of the conference is to bring together academics and researchers of visual and performing arts, and other related disciplines. You may participate as stream leader, presenter of one paper, chair of a session or observer. As is the case with the many small symposiums organized every week during the May-July period an effort is made to bring disciplines together such as Arts, Culture and Tourism. Consistent with the theme of ATINER's small academic events, all programs may include a few sessions on current topics in education and research.

Academic Members Responsible for the Conference

- Dr. David Philip Wick, Director, Arts, Humanities and Education Division, ATINER & Retired Professor of History, Gordon College, USA.
- Dr. Peter Walther Baur, Deputy Head, Arts & Culture Unit, ATINER & Associate Professor, University of Johannesburg, South Africa.
