

11th Annual International Conference on Geology & Earth Science 15-18 July 2024, Athens, Greece

Call for Papers

The aim of the conference is to bring together academics and researchers from all areas of geology, earth science and other related disciplines. Irrespectively of the theme of ATINER's small academic events, all programs may include few sessions on general issues of education and research. You may participate as a stream leader, paper presenter, session chair or observer. Consistent with the theme of ATINER's small academic events, all programs may include a few sessions on current topics in education and research.

Academic Members Responsible for the Conference

- Dr. Haiduke Sarafian, Head, Natural Sciences Unit & Professor of Physics and Endowed Chair of John T. and Paige S. Smith Professor of Science, Pennsylvania State University, USA.
- Dr. Evangelia Kotsikorou, Deputy Head, Natural Sciences Unit, ATINER & Associate Professor, The University of Texas Rio Grande Valley, USA.
