5th Annual International Conference on Computer & Software Engineering
22-25 July 2024, Athens, Greece

ATINER

Call for Papers

The aim of the conference is to bring together academics and researchers of all areas of computer science, software engineering and other related disciplines. Irrespectively of the theme of ATINER's small academic events, all programs may include few sessions on general issues of education and research. You may participate as panel-stream organizer, presenter of one paper, chair a session or observer. Consistent with the theme of ATINER's small academic events, all programs may include a few sessions on current topics in education and research.

Academic Members Responsible for the Conference

- Dr. Adrian Ionescu, Head, Computer Science Unit, ATINER & Professor, Wagner College, USA.

REGISTRATION FEE
