13th Annual International Conference on Transportation
21-26 June 2027, Athens, Greece

Call for Papers

The aim of the conference is to bring together academics and researchers of all areas of Transportation and other related areas. You may participate as a stream leader, presenter of one paper, chair a session or observer. Consistent with the theme of Athens Institute's small academic events, all programs may include a few sessions on current topics in education and research.

Academic Members Responsible for the Conference

- Dr. Virginia Sisiopiku, Head, Transportation Engineering Unit, Athens Institute, & Professor, The University of Alabama at Birmingham, USA.
- Dr. Nicholas N. Patricios, Vice President of Strategic Planning & Analysis, Athens Institute, Dean Emeritus & Professor, School of Architecture, University of Miami, USA.

REGISTRATION FEE
